The Story

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought the advice and mentorship of his friend Jayson Pahlmeyer to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of DWade style.

Inspiration & Winemaking

Our Rosé is fashioned after the light bodied versions that hail from the Mediterranean. The 2019 vintage provided optimal growing conditions for creating amazing wines in Sonoma County, where all of the fruit for this bottling was sourced. Grapes were harvested at night to preserve freshness, but the long growing season allowed for maximum flavor development. At harvest, the fruit is whole cluster pressed. The juice is then fermented at cool temperatures for 30 days and aged in stainless steel for a total of 6 months before bottling.

Palate

The color is a light but vibrant pink. Cherries and raspberries dominate the aromatics, which lead into brilliant freshness and lovely depth on the palate. Vibrant, light, and incredibly lithe, this is another Three by Wade Rosé that carries energy for days.
