WADE CELLARS

THE STORY

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought out the advice and mentorship of the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wine that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.

INSPIRATION & WINEMAKING

Our 2020 Three by Wade Cabernet Sauvignon was birthed out of the desire to create a wine worthy of a big occasion or a simple Tuesday night. This led us to source from both the Napa Valley, as well as several new sites in Paso Robles and Mendocino County. The winemaking approach embraces a modern take on traditional techniques and showcases a style that's purely Californian. We are continually inspired by wines that have an impact of flavor without being overdone. There are equal parts weight, texture, and depth — all of which you'll find in the great Cabernets of the world. Each of these qualities embodies the foundation of our winemaking inspiration and the desire to create a bottle that's considered an everyday affordable luxury.

PALATE

On the nose, this Cabernet offers aromatics of black plums, graphite, fresh blackberries, and is layered with cloves and dried rose petals. The tannins are fine and marry well with the acidity, which gives this classically-styled Cabernet true balance and structure.
