WADE CELLARS

THE STORY

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought out the advice and mentorship of the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.

INSPIRATION & WINEMAKING

Our 2021 vintage of Three by Wade Blanc comes from organically farmed vines in Clarksburg, California – a winemaking region situated one hour east of the Napa Valley. Cool nightly breezes moderate the mild summer temperatures providing optimal growing conditions. Fermented entirely in stainless steel, this dry white wine went through full malolactic fermentation to increase the wines' body and mouthfeel. Why Chenin Blanc? Because we love its bright acidity and the wines natural weighty texture.

PALATE

Our Chenin Blanc has a beautiful pale golden hue. On the nose there are fresh citrus and slightly tropical notes like lemon and even pineapple. On the palate there is crisp green apple that's complemented by mouthwatering acid up front with a rich body on the mid palate that rounds everything out. Our 2021 vintage is a thirst-quenching wine to drink now or could be cellared for the next 1-3 years.
