

WADE CELLARS

THE STORY

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought the advice and mentorship from the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.

INSPIRATION & WINEMAKING

Our Rosé is fashioned after the light bodied versions that hail from the Mediterranean. We have chosen a selection of grapes that all contribute to a Rosé that's intended to be light on its feet and fresh and energetic. The fruit is intently whole cluster pressed and fermented to complete dryness in stainless steel over a period of 30 days. The wine is then racked off the lees and aged for an extended period of 6 months in stainless before bottling.

PALATE

The color is a light and vibrant pink. Melon rind and bright raspberry fruit dominate the aromatics, leading into a crushable and fresh Rosé that carries energy for days.
