

2021 Three by Wade Rosé CALIFORNIA

\$15 SRP | \$90 FOB (9L CASE)

Inspiration & Winemaking

Our Rosé is fashioned after the light-bodied versions that hail from the Mediterranean. We have carefully selected a combination of grapes that contribute to a Rosé that's intended to be light, bright, and lively. The fruit is whole-cluster pressed and fermented to complete dryness in stainless steel over a 30-day period. The wine is then racked off the lees and aged in stainless steel for an extended 6-month period before bottling.

Palate

Our 2021 Rosé is salmon hued with a touch of vibrant pink in color. The aromatics are tropical and comforting with notes of fresh picked strawberries and perfectly ripened melon, while the palate is refreshing and reminiscent of aqua fresca - bursting forth into a sweet and tart finish that will leave you thirsty for more.

WADE CELLARS

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed

American wine-growing region, Dwyane sought out the advice and mentorship of the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.
