Inspiration & Winemaking

Our 2021 Three by Wade Cabernet Sauvignon was crafted with the intention of offering a wine that feels just as special for a grand celebration as it does for a relaxed Tuesday evening. To achieve this, we sourced primarily from Sonoma, along with a few new vineyards in Mendocino County. The winemaking process blends modern techniques with traditional methods, resulting in a style that is distinctly Californian. We are constantly inspired by wines that deliver bold flavors without being overpowering. This Cabernet balances weight, texture, and depth — qualities you'll find in the world's finest wines. These elements reflect our winemaking philosophy, with the goal of creating a bottle that represents affordable luxury for everyday enjoyment.

Palate

This Cabernet greets the senses with rich aromas of ripe black plums, crushed blueberries, and hints of pencil shavings, accented by warm spices like clove. On the palate, fine-grained tannins integrate smoothly with bright acidity, creating a harmonious balance and well-defined structure that highlights its refined, classic character.

WADE CELLARS

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought out the advice and mentorship of the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.
