Inspiration & Winemaking

Our 2022 Three by Wade Blanc comes from organically farmed vines in Clarksburg, California. It is fermented with 100% native yeast and aged in 30% neutral French oak and 70% stainless steel. Why Chenin Blanc? Because we love its bright acidity and the wine's natural weighty texture.

Palate

Our Chenin Blanc is vibrant with a beautiful pale hue. It carries refreshing acidity and minerality with medium body. On the nose, this wine has aromas of jasmine and fresh lemon, while the palate has notes of ripe pear with a clean bright finish. Our 2022 vintage is thirst-quenching and pairs perfectly with any occasion.

The Vineyard

Wilson Family Vineyard – Woods Ranch

The Wilson family has been farming the rich land in Clarksburg for four generations, beginning with George Harold Wilson who established the family homestead in the early 20th century. The vineyard is situated one hour northeast of Napa Valley, and is made up of mostly silt and loam soils. With the San Francisco Bay and the Pacific Ocean to the west, and the Sacramento River to the east, fog and cool breezes keep this region cool.

WADE CELLARS

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine-growing region, Dwyane sought out the advice and mentorship of the Pahlmeyer family to collaborate in the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of Dwyane's style.
